

Faith Action Plan & Essay Due On March 20th

Faith Action Plan

Your Faith Action Plan will consist of a TYPED essay or letter, ranging approximately 400-600 words in length (can be longer if desired), in which you will address the following questions:

- ◆ What moments, experiences, or people have shaped your faith journey up to this point and have they influenced you to this moment of your Confirmation?
- ◆ Consider a brief summary of your God given gifts and talents and how you have developed them.
- ◆ How do you plan on changing, adapting and/or growing in how you will live out your faith and claim it as your own in receiving the sacrament of Confirmation? In other words how do you plan on sharing your God given time, talents and treasure to serve the community of St. Thomas, and the world?
- ◆ What kind of Catholic will you become?
- ◆ Share your Catholic witness story in response to a friend's question, "Why are you a Catholic?" and/or "How is your life different because of your Catholic faith?"

Basically, in this letter/essay you are addressing where your faith is now and how through this process of Confirmation, you think it will change, grow, become stronger, etc. **This will be read by your Catechists, Rob and Fr. Infanger.**
