

## EXTRAORDINARY MINISTER OF HOLY COMMUNION

- Check in at small table in Narthex - informing your fellow ministers of your presence, as you may sit wherever you wish in the Nave (church space) - and review your distribution station
- At the *Lamb of God*, approach the altar and make a semi-circle behind the presider
- The presider will distribute Eucharist to EM's first. After consuming, sanitize your hands and retrieve a ciboria from the altar, then going to your assigned station.
- Distribute Eucharist to communicants ON THE HAND ONLY, while proclaiming **“The Body of Christ.”**
  - ⇒ *If the Eucharist falls to the ground, pick it up and put it the palm of the hand you are using to hold the ciboria. After finishing distribution, you may consume it, or bring it back to the sacristy for the EM Captain or Sacristan to consume.*
- Once you finish distributing to your station—ensuring that you distributed to any persons with mobility issues that may not have come forward—assist other ministers at their stations by forming a second line in the aisle. Once all stations have completed distribution, go to the Preparation Table (behind statue of BVM) to return your ciboria and Eucharist.
- EM Captain will lead consolidation of Eucharist into ciboria to go into the Tabernacle - add any remaining Eucharist you have to that ciboria, place your original ciboria in the sacristy to be washed, and return to your seat..
