

Dear Attendees, Sponsors and Volunteers,

Welcome to the 2nd annual "Holes for Hope" Charity Golf, Dinner, and Silent Auction benefiting St. Thomas CARES.

The requests for emergency help increased 25% three years ago and have not decreased since then. Your participation in "Holes for Hope" means that St. Thomas CARES will be able to continue to support those in need. The following are examples of support provided in the last two months.

- Single man, out of work, with unemployment ended and a title loan on car. Provided a title loan payment so he could start his new job.*
- Single mother with young son, out of work but with job interviews pending and a car that stopped running. Provided car repairs.*
- Mother of extended family of ten (children, nieces, nephews) about to start a new job and about to be evicted. Provided back rent assistance, partnering with other agencies.*
- Family struggling month to month on fixed income, burdened with recent medical conditions. Provided funds for needed prescriptions.*
- Gas cards for individuals and families to get to work pending a first paycheck, to look for work, to get to frequent doctor's appointments, etc.*

Last year we had 112 golfers and an additional 85 guests for the dinner and silent auction. We raised just over \$30,000, exceeding our expectations. Thanks to additional funds provided by our parishioners over the year, we distributed \$56,000 in the last 12 months.

The proceeds from the golf outing combined with generous donations from our parish community allow us to continue our level of emergency support for individuals and families. Our emergency services provide support in many areas: housing & utility costs, auto repairs, medical support & prescriptions, gas & food cards, counseling, and misc. needs (Metra passes, car registrations & insurance, etc.).

Between 2008 and 2010 St. Thomas CARES assisted my family with emergency support so I am dedicated to ensuring this event is successful.

So, THANK YOU! I wish to extend gratitude and appreciation to all of you for your support and prayers for our St. Thomas CARES Charity Golf, Dinner and Silent Auction. Together, we are helping families in our community with emergency services.

Last year I said, "If you ever need me to help with a charitable cause of your own, please let me return the favor." Several of you have taken me up on that promise, and I will continue to use the gifts provided to me by the Holy Spirit to make a positive impact in this world as the Spirit is truly with all of us today.

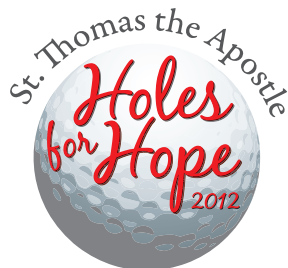

Again, thanks so much for all you've done for "Holes for Hope" and St. Thomas CARES.

In Him I Trust,

Sean Moriarty, Chairman

"Holes for Hope" Charity Golf Outing
