Fr. Peter shares insights from a variety of voices on the Sunday readings.

Live By Faith

The story of Abraham is one of extraordinary blessing. However, his story is also one extraordinary faith. At major points of his life, Abraham had no idea what was in store for him or his family. He was directed to leave his home and become a wandering herder. He was an immigrant in a foreign land, bereft of social support structures. He was promised descendants but waited many years for that promise to be realized. Once he had an heir, he was then told to sacrifice that son of promise without any assurances of a favorable future. Time and again, Abraham was asked to live by faith.

The phrase “seeing is believing” is misleading. It is really an expression of skepticism that means, “I won’t believe it unless I see it.” However, true belief means that we accept something even though we don’t see it, don’t understand it. That is a very difficult way for most of us to live. Yet live like this we must, whether we are believers or unbelievers, because so much of life is beyond our control or understanding.

So how do we learn to live by faith? We have something that Abraham did not have. We have his story to encourage us. In that story we see that again and again he stepped forward in faith, and God brought things together. If God did this in Abraham’s life, surely God can and will do it in ours. We must only live by faith.

~Sr. Dianne Bergant, CSA

For Reflection

- Do you always need certainty before you act? Has that always worked?
- Be grateful for the times when you stepped forward in faith and God brought things together.

Readings for Today

First Reading — Your ancestors waited in faith and courage for God’s promised summons (Wisdom 18:6-9).

Second Reading — Because of his faithful obedience to God’s call, Abraham’s descendants number as the stars (Hebrews 11:1-2, 8-19 [1-2, 8-12]).

Gospel — Keep watch and be prepared, for you do not know the day or the hour when the Son of Man will appear (Luke 12:32-48 [35-40]).

Reflection on the Readings

In the Gospel we are asked to make ourselves ready for the Master’s return, for we do not know when it will happen. Let us pray today, as God’s people, to have the faith of Abraham, so that whenever the appointed hour comes we will be prepared and eager to greet our Lord.

Affordable Housing Incentive Program

Advocacy Opportunity Consider Signing Petition

"We believe people have a right and a duty to participate in society, seeking together the common good and well-being of all, especially the poor and vulnerable."

Catholic Social Teaching – US Conference of Catholic Bishops

The St. Thomas Housing Alliance Ministry has been advocating for affordable housing in Naperville for at least four years. The Naperville City Council will consider adopting the Affordable Housing Incentive Program (AHIP). At this time, it is not clear if the program will be adopted. If you are in agreement, make your voice heard. Please sign a petition to City Council in favor of AHIP.

To educate yourself on AHIP and sign the petition, click [here](#).

Adopting the AHIP will bring affordable housing to people who live and work in our community, including seniors, veterans, those with disabilities, hospital/school support staff, restaurant and other employees of Naperville employers. Surveys have shown that increasing affordable housing is a priority for our community. It has been discussed and debated for many years. It is time for action. It is time to take the first step.

Styrofoam Environmental Impact

Styrofoam cups and take-out containers are one of the biggest public health hazards. Styrofoam is littered more than any other waste product and fills up 30 percent of landfills globally. The worst part is that Styrofoam takes over 500 years to decompose and in the process, it leaches harmful chemicals into the environment. It is not only a dangerous air pollutant, but also poses a great threat to humans, the environment and animals.

Styrofoam Recycle Collection

First Congregation UCC Church (25 E Benton Ave., Naperville) is collecting Styrofoam Saturday, August 14 and Sunday, August 15 from 11:00 am to 1:00 pm. Bring Styrofoam to the First Congregational parking lot (on Center Street, right around the corner from Municipal Band Concert Park off Benton).

Please keep your packing peanuts separate from the rest of your Styrofoam. The peanuts are sent to stores that reuse them. For more information, contact Claudia Hackney at Claudia.Hackney@sbcglobal.net or Susan Greenwood at sgreenw288@gmail.com.

Back to School is Here!

St. Thomas is collecting new school supplies on behalf of its Care Pantry families with school age children. Just purchase items from the list below and drop them off in the clearly marked collection bin in the Gathering Area between now and August 10. Questions? Contact Michelle at 630.235.2997. Thank you for your generous support! When you shop, imagine a child being well equipped for the upcoming school year.

- Pencils-#2 – packs of 8 to 12
- Black pens – packs of 10 to 12
- Glue sticks – packs of 2
- Bottles of school glue

Letter Sent to Highland Park, IL

A letter of solidarity and support, signed by Fr. Peter and Jane Barnes, representing the St. Thomas Inclusive Justice Initiative, was sent last week to the mayor of Highland Park.

Jane Barnes drafted the letter, which reads as follows:

“The people of St. Thomas the Apostle Catholic Church in Naperville wish to express to the people of Highland Park our profound sadness at the violence and loss you have experienced. We stand with you in this tragic event that has entered your lives.

Although we know we cannot temper the pain of your losses, we pledge to you our desire and commitment to work for real understanding and effective ways to heal the brokenness in our society. This brokenness inflicts terrible wounds which touch us all.

In prayer and solidarity”

Please continue to hold the people of Highland Park and all affected by violence of any type in your prayers.

Hesed House PADS

Thank You!

St. Thomas Hesed House PADS Ministry serves the homeless at Hesed House in Aurora the first Thursday of every month throughout the year. The ministry prepares and serves dinner and breakfast ... and provides a bag lunch.

St. Thomas parishioners generously provide food donations every month to support our Hesed House PADS ministry. Over the last month, there was a special request for toiletry items, including bath towels. As usual, St. Thomas has over-achieved! The donations filled about 30 medium to large bags. Carol Ball reported that John filled up the entire cargo space in their Suburban. She asked that we put a “HUGE thank you in the bulletin.” Thank you, St. Thomas!

Week of Hope ... in the Words of Ryan

From June 19–24, four middle school students and their chaperones participated in Week of Hope (a week-long service trip) in Kenosha, Wisc. Ryan Cotner, one of the St. Thomas participants, reflects on his Week of Hope experience.

A few weeks ago I participated in the Week of Hope mission trip. I really enjoyed the experience because it was a lot of fun to be around people of similar faith for a week. Our crew from St. Thomas was gardening for the Racine Urban Garden Network for the week, which included weeding, planting, watering and cleaning. One of my favorite parts of the trip was when we finished the work at our work sites and lots of people thanked us multiple times. It was really neat to see how appreciated our work was, and how much it helps the community. Another part of Week of Hope that I enjoyed was the chapel time and devotions. Doing the work was great, but connecting everything that we were doing to faith and God made the experience so much more spiritual and it helped me to grow and learn more about our faith. Overall, Week of Hope was an amazing trip that anybody who has the opportunity to go on should.

Dear Padre addresses many interesting and topical questions people have about Faith and the Church and how it should impact our life.

Dear Padre

August 7, 2022

When I was young, we never had eucharistic devotions. Why are they so popular now?

Prior to the Second Vatican Council, many Catholics found solid food for their spiritual lives in eucharistic devotions, which include visiting the Blessed Sacrament (eucharistic adoration), attending Forty Hours devotion and assisting at benediction of the Blessed Sacrament.

However, as the modern liturgical movement began picking up steam, scholars and theologians began questioning the amount of energy and attention going toward eucharistic devotion. They urged us to focus our spirituality more clearly on the Mass – the action of the sacred liturgy and the Eucharist itself – and to understand that all eucharistic devotions outside of the sacred liturgy are meant to direct us back to the action of the Mass, the eucharistic sacrifice and its high point of Communion.

The drop-off in eucharistic devotions after Vatican II can be positively understood as an attempt to take the insights of liturgical reform seriously and develop a more liturgical piety. At the same time, the resurgence of eucharistic adoration is a worthy retrieval of a beloved practice that both scholars and the faithful understand as complementing a full, conscious, and active participation in the sacred liturgy that is the “source and summit” of our lives.
